

Lord, we treasure with affection

(CROSS OF JESUS. 8.7.8.7.)

$\text{♩} = 90$

1. Lord, we treas - ure with af - fec - tion,
 2. Deep Thy sor - row then, Lord Je - sus,
 3. None could fol - low there, blest Sav - iour,

All Thy path of sor - row here,
 Deep - er far than thought can reach,
 When Thou didst for sins a - tone;

And those clos - ing scenes of an - guish
 Grief in - tense and suf - ferings ho - ly,
 For those suf - ferings, deep, un - fa - thomed,

To our hearts Thy - self en - dear.
 Far be - yond all tongues to teach.
 Were, Lord Je - sus, Thine a - lone.

4. Thou didst measure then sin's distance ;
Darkness, wrath and curse were Thine ;
Man-betrayed, by God forsaken ;
Thus we learn Thy love divine.
