

It is not with uncertain step

(CREDITION. C.M.)

$\text{♩} = 100$

1. It is not with un - cer - tain step We tread our de - sert way ;
 2. The voice of Him who here has trod A - lone the track - less way,
 3. He leaves us not a - lone to trace Our path a - cross the waste ;

A well - known voice has called us up To ev - er - last - ing day.
 (And marked the road which leads to God), Where once we, lost, did stray.
 But leads us still, with liv - ing grace, Home - ward, whereto we haste.

4. See ! open stands the heavenly door,
 Whence glory shines below,
 To light the way He's gone before,
 The coming bliss to show.

5. In patience then we tread the road —
 Our faith and courage tried —
 And trust the love which bears each load,
 Our hearts from grief to hide.
